

The Alejandra

Inspiration Series

The Alejandra has a beautiful large front porch and large windows. This home includes 4 bedrooms, 3 bathrooms, and a 3 car garage not to mention a sizeable mudroom, optional gas fireplace, second floor laundry, and a generous kitchen with butler's pantry. The master suite offers a sense of luxury with a full bath, walk-in closet and a box vault ceiling.

Complete the look of luxury by selecting colors, fixtures, and other elements for your home. Finish your home with a finished basement for another bedroom, bathroom, and living room.
